BLS2000™

# IT LOOKS EVEN BIGGER WHEN YOU DISPLAY IT IN COLOUR

To optimise your visual impact, 4-colour printing can now be produced in one go. This will give your signs a significantly more striking visual impact. In addition, PowerMark makes it possible to adapt to safety standards with pictograms and colours complying with the current safety sign regulations.

**CLEARLY VISIBLE SIGNS MAKE ALL THE DIFFERENCE**

## BLS 2000: EXCEPTIONAL OUTCOME

BLS 2000 is a dedicated laminating system, offering rigidity and protection for signs affected by external factors such as acid spills, solvents, etc. The outcome makes the finished product look even more professional, allowing the panel to be mounted to, or suspended from, the material of your choice.

**BLS 2000™**  
LAMINATING SYSTEM

**HEIGHT  
UP TO 250mm**

## APPLICATIONS

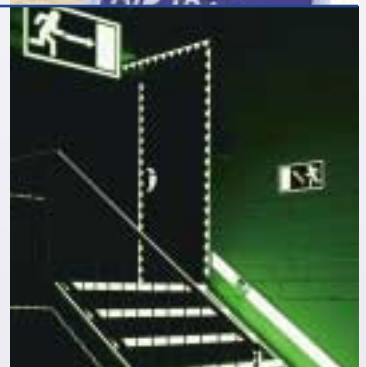

Tough vinyl for harsh environments

Make it clear, see it from a distance

Make your escape routes visible in the dark

Print your Safety Procedures Wall Charts quickly and at a low cost

Identify fire fighting equipment and its location

Rigid laminator adds strength
